④ Color fastness

Each number shows how resistant upholstery is to fading when exposed to direct light. From 1 to 5 (e.g. 1- fast color fade, 5- slow color fade)

⑤ Pilling

Pilling is the formation of fuzzy balls of fiber on the surface of a fabric that remain attached to the fabric. Our upholstery fabrics have a pilling highest rating from 4-5.

Upholstery

* Leather covers may require more stitches than fabric covers.

② Price group (CAT)

CAT-category, from 1 to 4. Higher price group number shows higher price range. Leather is not categorized.

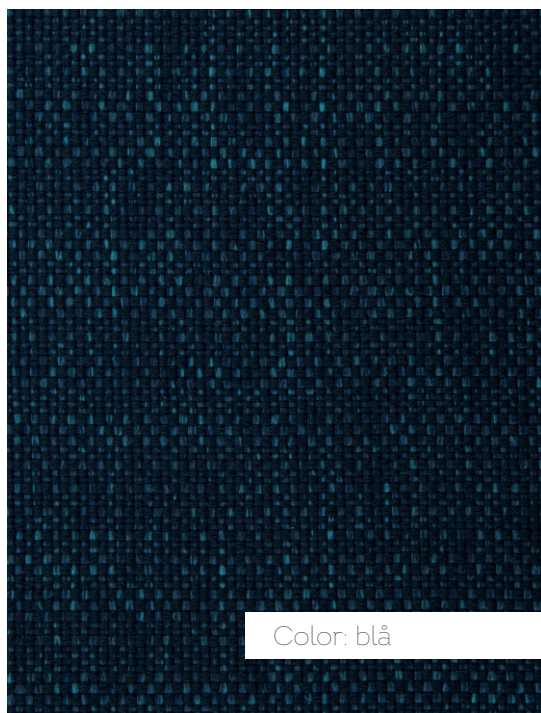

③ Martindale

The Martindale test is the most frequently used method for determining the abrasion resistance of textile fabrics, particularly of upholstery fabrics.

⑥ Maintenance

	- special treatment for stain and water resistance
	- washing in temperature written
	- do not wash
	- do not iron
	- lowest heat ironing

	- do not use bleach
	- sensitive dry cleaning
	- do not dry clean
	- do not use dryer
	- direct sunlight is not allowed
